Jesus says, *“Ask and it shall be given. Seek and ye shall find. Knock and it shall be opened”*. The Bible also says, *“we have not because we asked not”*.

NOTE:

We have eleven short months to prepare for this remarkable journey of faith, so it is important that we do everything with extra speed to make this trip a success. As with every mission endeavor **TEAMWORK** is the key to a successful trip. Back stage work will continue as we prepare.

* **Money Talks:** The trip will cost \$ 3,060.00 per person. All monies collected will cover Air Ticket, Visa, Transportation, Housing, Meals, and other logistical needs pertaining to the trip.

We need to be diligent in all things: prayer, team building, and fundraising for this dream to become a reality. "The Ends of the Earth". Thanks!
